New Mexico Department of Transportation Traffic Safety Division

1. **Mandatory jail time** must be consecutively served. 2. **Fines and fees** do not include increased insurance costs, treatment, lost wages, towing and storage, victim impact panels and attorney fees. 3. **Administrative Revocation:** Licenses are administratively revoked for driving with .08 BAC or higher (21 and older), .02 BAC or higher (under 21), .04 or higher (commercial driver's licenses) and any refusal. These are violations of the Implied Consent Act, 66-8-105 through 112. Note that a violation of the Implied Consent Act is not part of the criminal sentence. 4. **Chemical test must be given within 3 hours of driving and must measure alcohol consumed before or while driving.** The results of a chemical test given more than 3 hours after driving may be introduced as evidence of the BAC in the driver's blood or breath at the time of the test (not the time of driving) and the judge or jury will determine how much weight to give the evidence. 66-8-110E. 5. **Aggravated DWI consists of:** (1) Refusal to take a BAC test at time of arrest for DWI; OR (2) Testing at a BAC of .16 or higher within 3 hours of driving when the BAC is from alcohol consumed before or while driving; OR (3) Causing bodily injury to someone while driving under the influence of alcohol or other drugs, 66-8-102D. See 66-8-102U(1) for "bodily injury." 6. **Criminal ignition interlock provisions:** Interlock must be installed on all vehicles driven by the offender AND the offender must obtain ignition interlock license. 7. **An ignition interlock license** allows drivers to drive without time and place restrictions and is available to every revoked driver except those who have committed vehicular homicide or great bodily injury by vehicle while under the influence of intoxicating liquor or drugs. **Reinstatement of unrestricted license:** The Motor Vehicle Division will not reinstate an unrestricted driver's license after a DWI conviction or administrative revocation unless a driver has had a minimum of six months of driving with an ignition interlock license with no attempts to circumvent or tamper with the device, 66-5-33.1B(4). An interlock is defined as "a device, approved by the traffic safety bureau, that prevents the operation of a motor vehicle by an intoxicated or impaired person." 66-5-502B. Out of state drivers convicted of DWI on or after June 17, 2005 who apply for a NM license are eligible ONLY for an interlock license, according to the same schedule as NM offenders, 66-5-5E. The penalty for driving without an interlock when it's required by license is the same as driving while revoked for DWI, 66-5-504, 66-5-39.1B. The penalty for tampering or interfering or causing someone else to tamper or interfere with an ignition interlock device, when it is required under an ignition interlock license, is the same as driving while revoked for DWI, 66-5-503 and 504. Licenses remain revoked until offenders apply to reinstate them. For NM MVD form Affidavit for Ignition Interlock License go to <http://www.tax.state.nm.us/forms/mvd/mvd10456.pdf>. 8. **Treatment is mandatory,** as follows, for a second or third conviction: not less than a 28-day inpatient residential or in-custody substance abuse treatment program approved by the court; not less than a 90 day outpatient treatment program approved by the court; a drug court program approved by the court; OR any other substance abuse treatment program approved by the court. **For any felony conviction,** the Corrections Department is required to provide substance abuse counseling and treatment to the offender, while the offender is in custody and on probation or parole. 9. **Probation violations:** On any offense, if the offender violates probation under a suspended or deferred sentence, the judge may impose any sentence originally available and credit shall not be given for time served by the offender on probation, 66-8-102T. 10. **Palm Prints** are required from anyone committing a felony, facing 6 months in jail or arrested for violating Section 66-8-102 NMSA 1978, NM 17 § 1 29-3-8 A,B,C (2011); **DNA** is required from anyone arrested for a felony, 84 § 1 29-3-10 (2011).
